Our Mission is to provide high quality tennis functions and facilities for all members and to help promote and support our Valley Center High School tennis teams. Club dues are used to sponsor events, maintain the tennis facility, and keep our courts clean and playable. We work with Parks and Recreation to help support tennis activities and contribute to a welcoming club facility.

Our club sponsors tennis socials, tournaments, workouts with local professionals, leagues and weekly organized matches for all levels of play. Welcome! Get healthy and play tennis!

Visit our website at: www.valleycentertennis.club for up-to-date information and activities!
